

Join the Strongsville Athletic Booster Club Today!

The Strongsville Athletic Boosters is comprised of parent volunteers that raise funds and provides support to all of the Strongsville high school and middle school athletic programs and student-athletes. In today's economy, school systems are much more reliant on fundraising dollars. Every dollar from the booster club is invested back into the student-athlete experience. We purchase uniforms, warm-ups, equipment and other items to help our student-athletes perform to the best of their ability in representing Strongsville City Schools. Joining the booster club is a great way for you to support our Mustang student-athletes. Our ultimate success depends on the commitment of parents like you!
